Re: Cooper v. Allenergy, Inc.

Dear Mr. Sanford:

I am please to inform you that the Cooper litigation has been officially dismissed by the Court. As you know, the Court previously dismissed the majority of the claims at issue on summary judgment and, following the Court's summary judgment ruling, the remaining (and relatively insignificant) claims related to an alleged loan issued to Mr. Cooper were settled. As part of the settlement and dismissal, all existing disputes between the Plaintiffs and Allenergy were resolved in full. Please find attached for your records a copy of the executed dismissal. We consider this matter to be closed and wish you and the company the very best of luck in moving forward with these issues now behind you.

Very truly yours,

Ward J. Lott
